

INITIAL DESIGNS FEEDBACK

Following our first consultation, the Four Great Highways project team has now developed initial designs for the four areas of the project, and we would like to hear your views.

Once we have received your feedback, the team will develop the final designs for the project which will be considered by Denbighshire's Planning Department if necessary. The final designs will then be agreed, and a contractor will start the construction stage of the project.

It is important for us that you continue to be involved throughout the project, so we will ask for more feedback on any further designs we develop.

Feedback must be received **by 2 April 2023**.
